## **Hilton Sells Suburban Cleveland Property To Twin Tier Hospitality**

BEACHWOOD, OH—The Hilton Cleveland-East here is now part of Twin Tier Hospitality's portfolio following the acquisition of the 404-room asset from Hilton Hotels Corp.

The Plasencia Group, Inc. represented Hilton in the deal. The terms were not disclosed.

Twin Tier also will operate the Hilton Cleveland-East, which features recently renovated guestrooms and more than 16,000 square feet of refurbished meeting space.

The hotel purchase represents Twin Tier's fourth in the Cleveland area within the past three years.

The hotel was originally built in the 1970s and operated as a Marriott until its purchase and conversion to a Hilton in 2001.
